Meet Your Next Favourite Destination

Port of Corner Brook | Newfoundland & Labrador, Canada

A welcoming port where rugged coastal scenery, vibrant community, and seamless operations come together.

Corner Brook at a Glance

Combining efficient port operations with authentic experiences, the Port of Corner Brook welcomes cruise guests to a dynamic destination on Newfoundland's west coast. With alongside berth and tender capability, the port supports both half-day and full-day calls while offering seamless access to a walkable downtown filled with shops, galleries, and restaurants just steps from the pier. Well-suited for contemporary, luxury, and expedition-style vessels, Corner Brook delivers a compelling blend of nature, heritage, and discovery that resonates across guest interests and travel styles.

Experiences That Leave a Mark

Dramatic coastal views and striking mountain backdrops unfold just minutes from the pier, offering guests effortless access to the region's iconic landscapes. That natural beauty is matched by the warmth of Corner Brook's communities, where local stories, music, and food create an authentic connection to Western Newfoundland's culture. For those who prefer a more active pace, hikes, guided outings, and other options designed for flow and scale offer accessible ways to explore the area's natural surroundings.

Smooth Sailing Starts Here

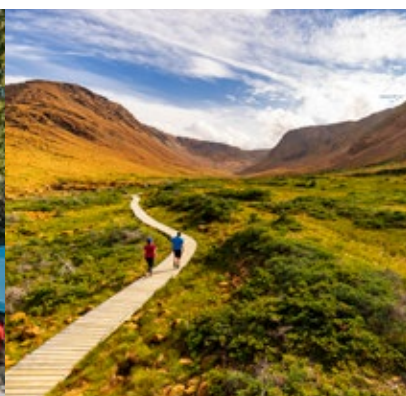

Clear marine access via a wide, deep channel and large turning basin

Centrally located port with an experienced operations team and security personnel

Dockside welcome program featuring live local music, community vendors, and on-site information officers, with complimentary shuttle service to the downtown core

Compact, walkable downtown reduces transportation needs and enhances guest satisfaction

Strong collaboration between the port, service providers, and community partners guarantees a seamless call from dock to exploration
